AMENDMENT

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Honorable Commissioner:

In response to the Examiner's Office Action dated October 14, 2004, the following amendments and remarks are respectfully submitted in connection with the above-identified application.

IN THE CLAIMS

Please amend Claim 1 to read as follows:

1. A high voltage motor monitoring system comprising:
a motor control enclosure having high voltage lines extending thereunto from
a high voltage source and extending therefrom the power to a high voltage motor;
